HEALTH & SAFETY COMMITMENT

At SYDNEY SPHIWE KOFFY MAKOFANE, safety is not just a service – it is our foundation. We are driven by the belief that every worker has the right to a safe and healthy working environment. Our health and safety culture permeates every level of our operations, from consulting and training to engineering and site services.

“We are not just service providers—we are your partners in ensuring zero harm.”

OUR SAFETY PHILOSOPHY

We believe that:

- All incidents are preventable.
- Everyone is responsible for safety.
- Safety enhances productivity and morale.
- Compliance is only the beginning – we aim for a safety-first culture.

OUR HEALTH & SAFETY PRINCIPLES

- **Prevention-Focused:** We proactively identify and mitigate risks.
- **Compliant:** We strictly adhere to OHS, NOSA, and ISO standards.
- **Continuous Improvement:** Regular reviews and updates to our practices and procedures.
- **Employee Empowerment:** Every employee is empowered to stop unsafe work.
